

2020 KAFCE Educational Program Evaluation

The 2020 year is near the end and it would be helpful to look back and review what has been done. Each year the Educational Program Committee seeks to provide lessons/programs for your educational needs, leadership opportunities, community involvement, interests and enjoyment. It has been from your suggestions that future lessons may be selected or written by KAFCE or K-STATE.

Please take some time, either individually or as a group, to complete the following survey and questions. For additional space, you may write on the back.

Check mark your rankings from number 5 as the Most Liked (informative, enjoyable, worthy of sharing) 3 as OK and 1 the Least Liked. If did not attend or read lesson, please mark No Answer.
