

May 29, 2020

Dear KAFCE Members,

The NAFCE President sent an announcement that the 2020 NAFCE Conference in Portland, Oregon in July has been cancelled for the safety and well-being of our FCE members.

KAFCE is an organization that promotes the health of the communities that it represents. This decision was not an easy one for the governing body of KAFCE State Board of Directors. We were looking forward to the traveling for an annual conference, a time to catch with old friends, make new friends, promote the mission of KAFCE and conduct the business of our organization.

As of right now there is no vaccine nor will be by this fall. With so many unknowns surrounding and related to COVID-19 virus, and so many limitations imposed by State and County Health Orders, out of an abundance of caution to protect the health of our members, communities, and state, the KAFCE State Board of Directors are extremely and truly sorry to come to the decision NOT to host the 2020 KAFCE State Conference, October 5-6-7 in Liberal, Kansas.

Again, as the KAFCE State Board of Directors have worked diligently to develop alternate options for safe opportunities for our members, this year it just cannot happen. Any business that needs to happen because of the By-Laws will be handled by the Board of Directors as directed by the NAFCE President and Board.

Please share this information will all your members.

Thank you for your commitment to the KAFCE!

Yours in FCE Service,
Nancy Kernick

KAFCE State President
